Re: Preventive Maintenance Agreement

Contract No.032912

1. This agreement will cover labor and travel charges for all emergency service calls and one (1) preventive maintenance per year, for a period of One (1) Year.
 - a. Preventive maintenance inspections shall conform to manufacturer and Industry Standards. For medical equipment.
 - b. Upon completion of each inspection, a signed service report listing all devices checked will be supplied to the Laboratory Supervisor.
 - c. Sufficient time shall be allowed to permit a thorough inspection and test of each device.
 - d. Sercomp International is not responsible for instrument failure caused by user error, or acts of God.
2. Customer agrees that the instruments listed below are currently working according to manufacturer Standards. If instruments are not in working order, then Sercomp International shall be authorized to bring instruments up to manufacturer standards at the customers expense.
3. Sercomp International's on-site repair services will be made available seven (7) days a week including Holiday's and within twenty four (24) hours of the initiated service call.
4. Sercomp International agrees to replace equipment parts only upon written or verbal authorization from the customer. This agreement does not include replacement parts.
5. The cost of this agreement is \$ _____ plus applicable taxes, due on _____
This price is effective for thirty (30) days from the date of this proposal.
